

## City of Manitou Springs REQUEST for NOISE VARIANCE

### REQUEST MUST BE SUBMITTED AT LEAST FOUR WEEKS IN ADVANCE OF YOUR EVENT.

**Municipal Code Chapter 6.08.020 (B)** It is unlawful for any person to make, continue or cause to be made or continued, any mechanically produced sound within the City between the hours of ten p.m. and seven a.m. of the following morning. Any such sound during said hours is declared to be a nuisance unless the making or continuing of said sound is necessary for the preservation of the public health, safety or welfare. Mechanical production of sound is defined to mean any sound:

1. Produced by machinery powered by internal combustion, electricity or steam;
2. Produced, through human action or design, by the striking of one object against another object or by blowing upon an object.

**Municipal Code Chapter 9.26.010** The playing or performing of music in the public parks within the limits of the city in such a manner that such music can be heard by anyone outside the boundaries of any such park is unlawful.

Pursuant to the City's Municipal Code, I am requesting a Noise Variance for the following:
