Water and Sewer Infrastructure Replacement on Clarksley Rd

MANITOU SPRINGS CO – The water and sewer infrastructure replacement being performed by a contractor on Clarksley Road has progressed to the intersection of Clarksley Rd and Deneta Drive. Beginning on Monday, February 1 through Friday, February 5, access from the intersection of Deneta Drive and Clarksley Rd to the dead end of Clarksley Road will be blocked.

During this timeframe, all vehicles will need to park outside of this construction zone. We appreciate your cooperation while we improve out water and sewer infrastructure!
