Emergency Water Main Repair in the Sandra Ln and Stover Ln Area

MANITOU SPRINGS CO – Our public works department will be performing an emergency water main repair on Sandra Ln. This may result in a temporary water disruption for some homes on Sandra Ln and Stover Ln, and a road closure on Sandra Ln to allow our crews to perform the repair.

As of now, there is no estimated time of completion. If one becomes available, we will provide an update through social media. Thank you for your understanding!
