## Colorado Springs Utilities to Repair Three Service Lines in March – Minor Traffic Impacts

MANITOU SPRINGS CO – Colorado Springs Utilities will be performing three service line repairs (from the main to the household) from March 22-March 25. The first repair will take place on March 22<sup>nd</sup> on the 200 Block of Duncan Avenue, the second repair is on the 100 Block of Spencer Avenue on March 24<sup>th</sup>, and the third repair is on the 0-99 Block of Via Mia Theresia on March 25<sup>th</sup>.

These repairs will result in barricades in the roadway, but through traffic will be maintained with help from the construction crews. Thank you for your understanding!
