## Utilities Installation on Manitou Avenue

MANITOU SPRINGS CO – A contractor will be installing a sewer line for a business in the 100 block of Manitou Avenue, resulting in minor traffic impacts in the area. This will take place from Monday, May 24<sup>th</sup> until Monday, May 31<sup>st</sup>.

Two-way traffic will be maintained for the project, but bike lanes in both directions will be obstructed, resulting in bike traffic and car traffic margining into one lane for the affected area. Please drive safely through this zone and be cautious of bike users and construction crews in the area.

Thank you for your understanding!
