Water Disruption in the Sutherland Area

MANITOU SPRINGS CO – In order to allow a contractor to complete some of the final tie-ins for the Water Infrastructure Improvement Project in the Clarksley area, our Public Works Department will be performing an unplanned water disruption that will affect residents on Sutherland, Sutherland Place, and Indian Oak Place.

This unplanned disruption will, tentatively, be in place until approximately 4PM this afternoon. We appreciate your understanding while some of the final steps are performed to improve this areas water infrastructure!
