## Water Disruption in the South Place, Puma Path, and Fountain Place Area

MANITOU SPRINGS CO - Our Public Works Department performed an emergency water shutoff in this area, resulting in possible a water disruption for some community members in the Fountain Place, South Place, and Puma Path area.

The estimated time for the disruption is until 5PM today. We appreciate your cooperation while our crews work to repair the water main!

### **Previous Press Release:**

#### [Road Closure on Peakview](#)

MANITOU SPRINGS CO – Our public works department has closed a portion of Peakview Boulevard, from the intersection of South Path and Peakview, eastbound to the end of the “s-curve”.

This is to allow for a residential service line to be repaired. We appreciate your cooperation!
