## Day of Friendship Community Event

MANITOU SPRINGS CO – The City of Manitou Springs is inviting all Manitou Springs residents to the Day of Friendship Community Event on July 30<sup>th</sup>, 2021. This day is a celebration of the International Day of Friendship, recognized by a City Council [resolution](#) in June of 2021.

The Day of Friendship Community Event is a time where local youth can meet each other before the school year begins, community members can enjoy live music and poetry together, our residents can connect with their community, and where PikeRide will be officially launching their electric bike share stations within Manitou Springs.

The event starts with a kick-off from John Graham: the Mayor of Manitou Springs at Schryver Park from 10AM-2PM on Friday, July 30<sup>th</sup>. The event ends with the Moonlight Market from 5-8PM. In between these two events, we are encouraging our community members to make a difference in Manitou Springs, whether that is picking up trash or introducing yourself to new people. The International Day of Friendship is about strengthening our already flourishing sense of community.
