Masks Now Required for All Individuals Within City Owned Buildings Starting Monday, August 9th

MANITOU SPRINGS CO -- For the safety of City Staff, as well as everybody who enters our facilities, all individuals within the City of Manitou Springs' facilities will be required to wear a facial covering, regardless of vaccination status, beginning Monday, August 9th. This applies to City Hall, our Public Works Facility, our Police Department, and our Pool and Fitness Center. All City Staff will be wearing a mask while at work within a City facility unless they are stationary (ie. sitting at a desk) and 6-feet apart from one another.

We are urging all our residents and visitors to receive the COVID-19 vaccine as quickly as possible, in an effort to curb the effects of the Delta Variant. For information on where to receive a vaccine, as well as the benefits of the vaccine, please visit [vaccines.gov](https://www.vaccines.gov).
