MAPS Project Paving – Waltham Avenue Affected

MANITOU SPRINGS CO – Paving will begin for the MAPS Project on Monday, August 30th. The roadwork will start at 8AM on the intersection of Waltham Avenue and Manitou Avenue, and then continue towards Park Avenue.

From 8AM-9:30AM, expect longer delays if you are trying to exit to Manitou Avenue from Waltham. After 9:30AM, slight delays will be in effect to allow delivery trucks to supply asphalt to the paving operation. For this work, flaggers will be present to help facilitate access to those travelling through the area. In addition, emergency access will be provided at all times. If emergency vehicles need to travel through the area, then construction crews will move out of the way and ensure Waltham is traversable.

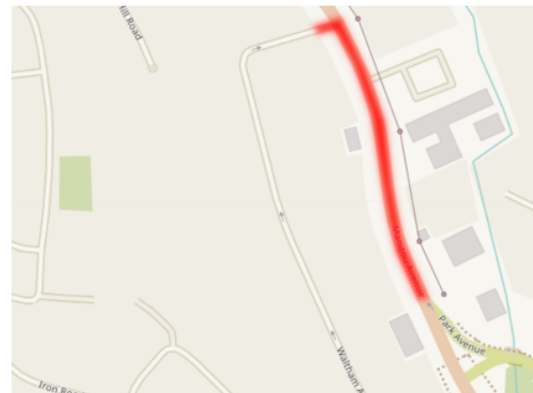

If possible, please take another route during this paving operation. We appreciate your cooperation!

PLANNED PAVING OPERATIONS

MAPS PROJECT – PAVING

- Paving will start at 8AM on Monday (8/30) at Waltham
- From 8AM to 9:30AM, expect longer delays if trying to exit to Manitou Ave from Waltham
