## Planned Water Disruption Along Western Manitou Avenue on Dec. 6

MANITOU SPRINGS CO – Any residents along Manitou Avenue, in between Manitou Liquors and Serpentine Drive may experience a water disruption on Monday, December 6, to allow a Wildcat Construction to replace an old water vault. This disruption will be in place from 8:00AM-4PM, so we are encouraging the affected residents to plan accordingly.

We appreciate your cooperation while we upgrade our utilities infrastructure!

## PLANNED WATER DISRUPTION

### PLANNED WATER DISRUPTION ON MONDAY, DEC. 6

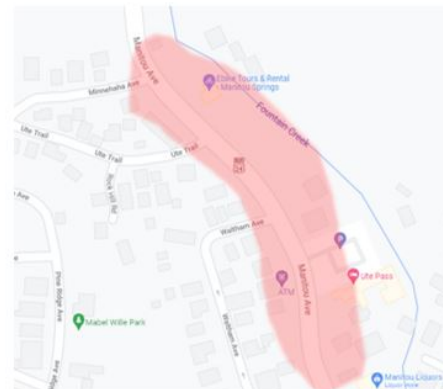

Wildcat Construction will be removing and replacing an old water vault on Monday, Dec. 6. This will result in a planned water disruption along Manitou Avenue.

#### Water Disruption:

- May affect homes on Manitou Avenue between Manitou Liquors & Serpentine Drive.
- No homes on side-streets should be affected
- Please prepare in advance for this outage!
- Once the water has been restored, discolored water and low water pressure are normal. Please run your bathtub tap on cold to resolve the issue.

**Operations Start: Monday (Dec. 6) at 8AM**

**Operations Tentatively End: Monday (Dec. 6) at 4PM**

 Affected Area

Thank you for your understanding!
