## Temporary Road Closure on Pilot Knob on Dec. 13

MANITOU SPRINGS CO – On December 13<sup>th</sup> from 8AM-1PM, a contractor will be performing gas main maintenance on Pilot Knob Avenue. This will result in a road closure on Pilot Knob, but local access will be maintained. Homes addresses on Pilot Knob that will have their access blocked are 227, 228, 236, and 238.

A detour will be in place using Montcalm Street. In addition, please remember to remove your vehicle from the signed work area by 8AM, so the contractor can perform the maintenance in a quick manner.

We appreciate your understanding!
