Raw Water Line Testing on Ruxton Avenue Dec.14-15

MANITOU SPRINGS CO – On December 14th-15th, Colorado Springs Utilities (CSU) will be performing testing on their raw water lines on Ruxton Avenue. The work will be performed near the Cog Railway and the Iron Springs Chateau.

In order to perform the work, CSU will be rerouting traffic around their work zone, but will maintain access and through traffic for all residents in the area. Work is scheduled from 8AM-3PM on both days.

We appreciate your understanding!
