Manitou Springs Police Department Investigating a Threat to the Manitou Springs Middle and High Schools

MANITOU SPRINGS CO – On December 14, 2021, the Manitou Springs Middle and High School received a threat. Out of an abundance of caution, the Manitou Springs Police Department recommended a closure, that the school district implemented, of both schools for the following day: Wednesday, December 15th.

The Manitou Springs Police Department is currently investigating this threat. More information will be provided tomorrow, once we have had time to learn more about the source and the subject of the information received.

Due to the nature of this investigation, no further information will be released as of now.
