## Communications Line Installation on El Paso Boulevard

MANITOU SPRINGS CO – On December 27<sup>th</sup>- January 7<sup>th</sup>, Sefnco, a contractor on behalf of Comcast, will be installing communication lines along El Paso Boulevard, near Memorial Park. The contractor will mainly be replacing aerial fiber but will be boring into private property for a short amount of time. This will result in sidewalk closure and a disruption to normal parking activities, but through traffic will be maintained throughout the effort.

Please drive safely and slowly through the Memorial Park area as there will be construction crews working along the roadway.

We appreciate your understanding!
