## City of Manitou Springs to Hold Carnegie Library Community Forums

MANITOU SPRINGS CO —The City of Manitou Springs will host two community forums for the purpose of engaging Manitou citizens in the final design process of the Carnegie Library. The in-person forum will be held on Wednesday, February 23, at 6pm in Memorial Hall. The second forum, which will be virtual, is scheduled for Thursday, February 24, at 6pm. These meetings will provide opportunity for input into the Library’s final design.

For more information on these meetings, and to view the ZOOM link for the February 24 meeting, please visit: <https://www.manitouspringsgov.com/633/ Carnegie-Library>.

“We look forward to this next step in finalizing the design of our Carnegie Library,” said Rob Danin, who heads up the Preserve and Renew Our Carnegie Library Task Force. “With expansion and ADA compliance in place, Manitou’s citizens will have a library for the next 100 years. From the beginning of this process, community input has been critical in determining what the people of Manitou want and need in their library.” Attendees will be invited to participate in the forum by offering feedback on the latest design by Ratio Architects.

All are welcome and encouraged to attend these public forums to finalize our Carnegie Library expansion design. For more information, please refer to the following links: <https://www.manitouspringsgov.com/633/ Carnegie-Library>, <https://www.facebook.com/SaveOurManitouCarnegie>
