Planned Water Disruption Along Western Manitou Avenue on March 8

MANITOU SPRINGS CO – Any residents along Manitou Avenue, in between Tubby's Turnaround and Serpentine Drive may experience a water disruption on Tuesday, March 8th, to allow Wildcat Construction to complete a water line tie-in. In addition, residents living at the end of Waltham Ave, near the intersection of Manitou Ave, may also be affected by this disruption.

This disruption will be in place from 8:00AM-5PM, so we are encouraging the affected residents to plan accordingly.

This disruption is tentative depending on inclement weather. We appreciate your cooperation while we upgrade our utilities infrastructure!

PLANNED WATER DISRUPTION

MANITOU AVENUE - 3/8

Wildcat Construction will perform a water line tie-in on Tuesday, March 8th. This will result in a planned water disruption along Manitou Avenue from 8AM-4PM. Residents near the Waltham Ave. and Manitou Ave. intersection may also be affected by this water disruption.

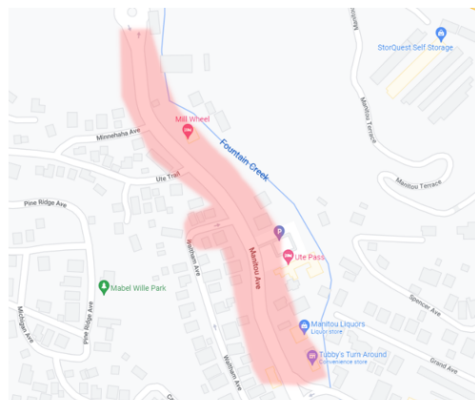

Water Disruption:

- May affect homes on Manitou Ave. between Tubby's Turnaround & Serpentine Drive.
- Homes on Waltham, close to Manitou Ave. may also be affected
- Please prepare in advance for this outage!
- Once the water has been restored, discolored water and low water pressure are normal. Please run your bathtub tap on cold to resolve the issue

Operations Start: Tuesday, March 8th at 8AM

Operations Tentatively End: Tuesday, March 8th at 5PM

THIS WORK IS TENTATIVE DEPENDING ON INCLEMENT WEATHER

 Affected Area

Thank you for your understanding!
