Planned Water Disruption Along Western Manitou Avenue on April 27

MANITOU SPRINGS CO – Any residents along Manitou Avenue, in between Tubby’s Turnaround and Serpentine Drive may experience a water disruption on Wednesday, April 27, to allow Wildcat Construction to complete a water line tie-in. In addition, residents living at the end of Waltham Ave, near the intersection of Manitou Ave, may also be affected by this disruption.

This disruption will be in place from 8:00AM-5PM, so we are encouraging the affected residents to plan accordingly.

We appreciate your cooperation while we upgrade our utilities infrastructure!

PLANNED WATER DISRUPTION

Manitou Avenue – April 27th (8AM-5PM)

Wildcat Construction will perform a water line tie-in on Wednesday, April 27th. This will result in a planned water disruption along Manitou Avenue from 8AM-5PM. Residents near the Waltham Avenue and Manitou Avenue intersection may also be affected by this disruption.

Impacts:

- Water disruption for homes on Manitou Avenue between Tubby’s Turnaround & Serpentine Drive
- Homes on Waltham, close to Manitou Ave may also be affected
- Please prepare in advance for the outage!
- Once the water has been restored, discolored water and low water pressure are normal. Please run your bathtub tap on cold to resolve the issue.

Start: Wednesday, April 27th at 8AM

Finish: Wednesday, April 27th at 5PM

 Affected Area

Thank you for your understanding!
