Pool Feasibility Study Community Meeting on May 16th

MANITOU SPRINGS CO – We have launched a feasibility study to determine the long-term vision for the Pool & Fitness Center. As part of this study, we are hosting a public meeting on May 16th from 6PM-8PM at Memorial Hall to hear from the public and better understand the recreational needs of our residents.

Please mark your calendars with this date. We look forward to seeing you there!
