Storm Clean Up

MANITOU SPRINGS CO – Safety is our top priority, and our staff has been working around the clock to remove limbs from public right of ways, roads, trails, and easements. Residents are responsible for removing downed tree limbs on their own property. If a public right of way is impeded by a tree please utilize the SeeClickFix system to report it by clicking [this link](#).

Here are some additional resources:

Colorado Springs Utilities: 719-448-4800

Rocky Top tree recycling: 719-579-9103

Comcast: 800-934-6489

We are working to schedule Chipper Days in the near future, please stay tuned for dates. Private tree services, dumpsters, and truck/trailer rentals are also options for brush removal. Thank you for your understanding and thank you especially to our dedicated Public Works and Parks and Recreation staff for their hard work!
