Collapsed Sewer Manhole on Pawnee Avenue

MANITOU SPRINGS CO – Our Public Works Department has blocked off a section of the northbound lane on Pawnee Avenue, across from the Elementary School, due to a collapsed sewer manhole. This lane closure will remain in place until the manhole is replaced and the roadway is reinstalled. In addition, parking along the western side of Pawnee (the Elementary School side) will not be allowed between the crosswalk and Duclo Avenue, due to the single lane closure.

An on-call emergency contractor will be evaluating the manhole tomorrow and will start construction as soon as possible. Currently, there is no estimated time of completion.

Thank you for your understanding!
