Emergency Water Disruption Affecting Select Homes on Rock Hill, Waltham, Manitou Ave., Duncan, and Ute

MANITOU SPRINGS CO – Our public works department is performing an emergency water disruption to repair a water main near Rock Hill Road. This water main does not run with the roadway, but rather across approximately 8-12 property lines on Rock Hill, Waltham, Manitou Ave., Duncan, and Ute, so only select addresses in the area will be affected by the disruption.

Our crews will attempt to consolidate the outage to only a few homes until 10PM tonight, when they will turn the water back on. Then, at 7:30 tomorrow morning (6/16), our crews may have to reinstate the water disruption to fully repair the main.

We appreciate your understanding!
