## Ruxton Corridor Infrastructure Improvement Project Community Meeting

MANITOU SPRINGS CO – The City of Manitou Springs is moving forward on its design for the Ruxton Corridor Infrastructure Improvement Project.

On February 2, 2023 from 6 p.m. to 8 p.m. at City Hall, City Staff and the engineering consultant used for this project will be presenting the most recent design. The design was created using the [Ruxton Avenue Use and Impact Study](#). Now that the design has become more detailed and robust, the City is asking for community feedback on various aspects of it.

### Community Meeting Information:

Where: City Hall (606 Manitou Avenue)
