Carnivale Parade Detour

MANITOU SPRINGS CO – Saturday, Feb. 18th, will be the Carnivale Parade! Between the times of noon – 2:00 p.m., please be prepared for traffic on Manitou Avenue to be detoured onto some of Manitou Springs’ narrower streets.

Westbound traffic will be detoured onto Old Mans Trail, which will take traffic onto El Paso Boulevard, then Lover’s Lane.

Eastbound traffic coming from Ruxton will be detoured onto Osage Ave.

Please note, both of these roads are extremely narrow residential roads with on-street parking throughout. Large trucks will not be allowed to detour through these roads and will be redirected back onto Manitou Ave or onto US-24. Please plan ahead and avoid these routes from 12PM-2PM on Feb. 18th if at all possible.
