2023 Manitou Springs Neighborhood Chipping Program Dates Announced

MANITOU SPRINGS CO – The City of Manitou Springs will be mobilizing its woodchipper to each individual neighborhood to pick up piles of tree branches near the road. This program allows for residents to perform wildfire mitigation to their property, and easily dispose of tree branches for free! The schedule is as follows:

Zone 1: April 4th, 2023

Zone 2: April 25th, 2023

Zone 3: May 16th, 2023

Zone 4: June 6th, 2023

Zone 5: June 27th, 2023

Zone 6: July 18th, 2023

Zone 7: August 8th, 2023

Please note, each zone takes approximately three days to work through. In addition, we have the right to refuse service to any homes that do not follow the accepted materials or pile guidelines.

For the zone map, information on pile requirements, acceptable materials, and much more, please visit the [Neighborhood Chipping Program Webpage](#).
