Emergency Water Disruption in the Williams Canyon Area

MANITOU SPRINGS CO – Our Public Works department is performing an emergency water main repair in the Williams Canyon area due to a water main that was leaking, and then broke.

This disruption will result in a water disruption for all homes on: Spencer Ave., Davon Ave., Cave Ave., Dudley Rd., Manitou Terrace, & Higginbotham Rd.

Once the water connection is restored, discolored water and/or low water pressure are normal. Please run your bathtub tap on cold to resolve the issue.

We apologize for not being able to provide advanced notice for this outage, but due to the fact that the main broke, we had to shut-off the connection immediately.
