Paving Operations Coming to Park Ave. & Pine Ridge Ave. on the Week of May 21

MANITOU SPRINGS CO – A new roadway surface is coming to Park Ave. and Pine Ridge Ave. on the week of May 21! On Monday, May 22 and Tuesday, May 23, a contractor will perform both milling and paving on Park Ave., from its intersection with Canon Ave. to its intersection with Manitou Ave. During this period, no on-street parking will be available on Park Ave., but one lane of through traffic will be maintained at all times.

On Tuesday, May 23 and Wednesday, May 24, a contractor will perform both milling and paving on Pine Ridge Ave., from its intersection with Minnehaha to its intersection with Duncan. A full closure will be in place during this time, so please plan to use an alternate route.

Construction times will be from 7:30a.m. - 5p.m.

Please drive carefully through these areas during construction, as crews will be working in the street. We appreciate your understanding while we improve our roadways!
