Fire Hydrant Replacement on Palisade Circle on June 7, 2023

MANITOU SPRINGS CO – The City of Manitou Springs' Public Works Department will be replacing a malfunctioning fire hydrant on Palisade Circle, therefore resulting in a water disruption on Wednesday, June 7th from 8a.m.-3p.m. for the following addresses:

116 – 145 Palisade Circle
200 Crystal Hills Blvd.

Public Works crews will be excavating the area on Tuesday, June 6th, but they will not be performing the water disruption on this day.

Please note, after the water connection is restored, discolored water and low water pressure are normal. Please run your bathtub tap on cold until the issue is resolved.

This work is tentative given severe weather or emergency issues.
